

## Jeff White

Chief Customer Officer

In his role as Chief Customer Officer, Jeff White is responsible for leading the global sales organization as well as driving the company's go-to-market strategy. He has more than 25 years of experience in leading global sales and operations in the IT and telecommunications industries, serving as Chief Revenue Officer at Syniverse and Extreme Networks. White also held various leadership roles over 17 years at Cisco, where he successfully led Cisco's largest accounts and grew the telecom business in Asia Pacific.

White holds a B.S. in business administration from the University of Phoenix and an MBA in international business from the University of Texas at Dallas.
