

Mattias Eriksson

Senior Vice President and Head of HERE Product Management

Eriksson has held various senior management roles during his time at HERE, varying from Sales/Business development to Product Management and Operations. Before joining HERE in 2010, he held a variety of Sales, Business Development and Product Management roles for Ericsson, Motorola and Siemens in Asia Pacific. Eriksson started his career in Management Consulting with Arthur D. Little.

Eriksson holds a M.Sc. in Engineering Physics from Lund Institute of Technology, a B.Sc. in Marketing and Economics from Lund University and an M.B.A. from INSEAD.
