

Damandeep Singh Kochhar

Senior Vice President and Chief Product Officer

Damandeep Singh Kochhar is Senior Vice President, Global Content Operations at HERE. In this role, he is responsible for end-to-end content management. He leads team of more than 4,000 associates across India, Europe and the Americas. Since joining HERE in 2015, Damandeep has been instrumental in scaling global operations.

He has more than 20 years of experience in the IT/ITES and product domain, with expertise across various verticals, including insurance, health care and banking. Prior to HERE, Damandeep spent 16 years at GE and Genpact, where he held progressively senior roles, culminating as SVP and COO for the health-care business unit. He built significant cross-functional expertise in outsourcing and consulting services across operations. He also spent three years in sales with Voltas, a large Indian engineering company specializing in air conditioning.

Damandeep holds a mechanical engineering degree from Delhi College of Engineering and an MBA from IIM Calcutta.
