

HERE completes acquisition of ATS

8 January, 2018

Amsterdam, the Netherlands – HERE Technologies today announced that it has completed its acquisition of ATS Advanced Telematic Systems.

HERE had announced its intention to acquire the Germany-based software company on [28 November 2017](#).

ATS develops highly secure over-the-air (OTA) software updating technology for the automotive industry. The acquisition strengthens HERE's position as the world's leading provider of location data and cloud services for vehicles.
