

# HERE completes acquisition of Micello

February 28, 2018

Santa Clara, CA – HERE Technologies today announced that it has completed its acquisition of Micello, a software company based in California that operates a platform for creating, editing and publishing indoor maps.

The acquisition, [first announced](#) on January 24, 2018, supports HERE's strategy to provide world-class mapping and advanced location services both indoors and outdoors.

In combination with HERE's unique tracking technologies, indoor maps will enable new and innovative market solutions such as the tracking of parts on a factory floor, the optimization of workspace usage, indoor wayfinding at complex transit interchanges, and last mile guidance in vehicles.
