

Damandeep Kochhar

Senior Vice President, Platform Foundation

Damandeep Kochhar is Senior Vice President, Platform Foundation, at HERE Technologies. In his role, he leads the company's core engineering activities, including the development and operation of our highly automated mapping system for creating, updating and publishing map content.

Daman joined HERE in 2015, bringing to the company his two decades of experience in the technology and product domains. Much of his early career was spent in senior roles at Genpact, a global professional services company. Daman graduated in Engineering from Delhi College of Engineering and completed his post graduate in Management from the Indian Institute of Management, Calcutta.
