

Tetsuya Shiozaki

Board Member

Mr. Shiozaki is an experienced leader in digital solutions, industrial transformation, and strategic planning, with a career spanning over two decades. He began his professional journey at Mitsubishi Corporation in 2002, focusing on IT and e-commerce, and has since held leadership roles across multiple divisions and global markets.

His international expertise includes serving as Director at iVision Shanghai and Agilion Energy Private Ltd, as well as a secondment to OVO Group Ltd in London. In 2021, he transitioned to Mitsubishi Netherlands, where he played a key role in the Industrial DX Division, first as Deputy General Manager and later as General Manager.

Since 2024, Tetsuya has led the Strategic Planning Office within Mitsubishi Corporation's Digital Solutions Division, driving innovation and digital transformation initiatives. Effective April 2025, he assumes the role of General Manager of the Global Service Department, Smart Service Division. In this capacity, he oversees HERE tech and spearheads global business development initiatives leveraging digital technologies.

Mr. Shiozaki holds a degree in law from Aoyama Gakuin University, earned in 2002.

He was appointed to the HERE Supervisory Board, effective March 27, 2025.
